RE: News on ACRN project

We offer season's greetings and hope this finds you well. We would like to take this early opportunity to let you know that our project **ACRN Community Mobilization against Racism, Sexism and Religious Discrimination** has been funded by the Department of Canadian Heritage for a period of three years.

Our success would not have been possible without your contribution and your continued support to ACRN and its leadership and for that we thank you. We are looking forward to your continued mentorship and collaboration as we embark on project implementation.

Feel free to consult with the undersigned on any matter regarding this project.

Yours faithfully,

Isabelle Nkapnang
